Voices of Participants

- Excellent conference; it was perfect down to the smallest detail.
- The PFMC-13/FEMaS-1 has settled in my memory as one of the best organized meetings I attended in 35 years of my scientific career. Its scientific content, starting from the school on, was a perpetual joy for my mind and heart.
- Thanks for an excellent conference
- It was pleasure to attend your event
- Thank you for this wonderful conference
- Thank you for your efforts on this wonderful conference
- The conference was well organized, and the talks were all excellent.
- PFMC-13/FEMaS-1 was really nice conference!
- Thank you for the effort produced for the organization of this conference

Recommendations

- More and stable WiFi / Power supply for laptop
- More space and time for poster sessions
- Posters outside the lecture hall
- All posters should be available at once
- Drinks with the posters
- 5 days full conference
- More tutorial courses / presentations
- The programm committee should be organized more internationally as the workshop has been upgraded into an international conference
