

## WHO WE ARE

Good food and drink make up a significant part of an enjoyable life. With our catering ideas, we contribute to making your day at work filled with a sense of wellbeing.

Konradhof Catering welcomes you at the cafeteria of Campus Max Planck in Garching from 1 August 2017 onwards.

## WHAT WE DO FOR YOU

### **We get you fit and ready for your day.**

A varied and healthy breakfast guarantees the best start into a successful and productive day at work.

We provide you with crunchy rolls and baguettes straight from our own bakery, Südalpe Brotkultur, a great choice of cold and hot snacks, dairy products and pastries complemented with freshly brewed coffee made from beans roasted by Coffee Roastery Bad Aibling, aromatic teas and refreshing fruit juices.

### **Lunchtime! Charge up with freshness**

We offer something for everyone's liking: Be it hearty and savoury or tasty and light, you can look forward to soups and antipasti, a salad bar with fresh, crisp greens, full-flavored tastiness from the grill, pizza & pasta, delicious creations from the wok and much more.

### **Coffee Bar**

We provide coffee when and where it creates real added value for you: Konradhof and Coffee Roastery Bad Aibling manage the coffee bar at your premises. Top quality coffee sourced directly from the trader at your in-house coffee bar.

### **Farm Shop**

We want to give you the opportunity to enjoy our products at home or at the office. You can pick up products made by us and our partners at our mini farm shop in the cafeteria

### **Visitors and Conference Services**

Whenever you have a meeting, a conference or guests, we are happy to help: with coffee, refreshments, small snacks or full-scale event catering. Festmeister Catering Manufaktur is at your service.
