

Dear guests,

Your health is of high importance for us and we would like to reduce the spread of COVID-19. Therefore we follow the general hygienic rules of the government.

By booking and using our holiday homes you agree to follow the present regulations released by the government. Please note that these can change daily. Please find up-to-date information in the web: www.stmgp.bayern.de/coronavirus/ or www.rki.de

From 30 May 2020 you're allowed to use this holiday home with members of your own household or members of one additional household. Keep the distance of 1,5 m minimum. If this is not possible you have to wear a mask. Opening the windows regularly for ventilation and hand hygiene is strongly recommended !

Usage of the holiday home is strictly not allowed if you are not healthy or if you had contact with a COVID-19 case within the last 14 days. Please inform us about an infection with COVID-19 in writing immediately.

Have a recreative and enjoyable holiday and stay healthy !
IPP-Sozialwerk e.V.
